

Who else may be involved with supporting my child?

We work with a variety of outside agencies (agencies who are not based in school, but who we can call upon for their expertise and then implement their advice within the classroom.)

- Educational Psychology Team – Robin Ashton-Jones, who can be contacted on 01522 554673
- Specialist Teaching Team – Karen Ashdown, who can be contacted on 01522 553265
- Working Together Team - Helen Pitfield, who can be contacted on 01775 840250

It may also be necessary to work with agencies such as

- Lighthouse Counselling
- AMHOSS (Autism Mental Health Outreach Support Services)
- CAMHS (Child and Adult Mental Health Services)
- Paediatric Doctors.

Contact details for these agencies vary depending on need.

If you have any further questions, please contact the SEND team.
