

Year 3 Newsletter Term 2

**SKEGNESS
JUNIOR ACADEMY**

Light

A very warm welcome back to all children, parents and carers to Skegness Junior Academy. We are sure the children feeling refreshed and ready for the challenges of our next term and the lead up to Christmas.

Mrs Pickering, Mrs Johnson and Miss Jones are so proud of the way that children have settled in so far and although it is very different start to a year they have very quickly picked up the rules and routines to help keep everyone safe.

We have big plans for Christmas this year, so please watch out for further details shortly

Thank you for your continued support.

Things to remember...

Drop off and collection times: drop off for year 3 is between 8:45am and 9:15am to their classroom doors. Collection times are between 2:45pm and 3:00pm, again from their classroom doors. Please follow the one way system in place and remember to wear your mask

Uniform: Correct uniform to be worn at all times, including sensible black shoes (not trainers).

PE Kits- In line with the school guidelines as previously sent out, pupils must come to school on their PE days in their PE kit. Please note, plain black or white trainers are required for PE (not plimsolls) and earrings should be removed at home if they are unable to do this themselves. As the weather is now getting colder, a plain black tracksuit may be worn

PE days this term are Tuesday and Wednesday

Reading- We are promoting a love of reading across the Academy and would appreciate your support with this, ensuring that you and your child are reading widely and regularly; exposure to a range of different text types will really boost their confidence.

In line with guidance previously sent out, please keep books at home until completed and instead of using a paper reading journal, please send a message on Class dojo each time you read with your child so we can build a digital journal.

English: During this term, Y3 will be working with a range of themed texts including How to wash a woolly mammoth by Michelle Robinson and Kate Hindley, The Dark by Lemony Snickett, The light house keepers Lunch by David and Ronda Armitage.

Maths: This term we will be exploring *the four operations*. By the end of term, children will be able to:

- Use mental strategies to add and subtract
- Use written methods for addition and subtraction
- Recall multiplication facts for 2,4,5,8,10 times tables
- Solve problems involving addition and subtraction

Topic Our work will be linked to Light and the Bronze age to the Iron age, including how life evolved for early humans. We will be learning about

In Science we will be investigating and learning about Light

Things to remember:

Please make sure that you have connected to your child's class on Class Dojo, and that the office have your up to date contact details, including e-mail address

You can keep up to date with all of the fantastic things your children have been doing by checking the Website, Class Dojo, Pobble and following us on Twitter.

Learning at home

Pupils have home access to subscriptions we hold to Reading Eggs, Mathletics and TT Rockstars. Please support your child to access these from home where possible. If you need your login account details again, please contact your child's class teacher
