Sexual Abuse within Schools – Peer on Peer Abuse, Sexual Violence and Harassment and Harmful Sexual Behaviour:

GAT's position as a trust and within all academies is clear: **sexual violence and sexual harassment are never acceptable, will never be tolerated and are not an inevitable part of growing up.** Such behaviour will never go unchallenged or become accepted within Skegness Infant and Junior Academies and we remain committed to working openly and transparently with to promote mutual respect.

Our Safeguarding and Child Protection Policy has guidance within it around the indicators of peer on peer abuse and harmful sexual behaviour along with our response procedures. All relevant Safeguarding Policies are available on this website.

All students are taught the Relationships and Sex Education (RSE) curriculum appropriate for their ages and stages.

The appropriate means for disclosing an allegation of abuse **relating to another pupil** is always to inform a member of Skegness Infant and Junior Academy safeguarding team directly or a member of the Trust Safeguarding Directorate. In the event that an allegation is made against **a member of staff**, this must be sent to the Academy Principal or directly to the Trust Safeguarding Directorate. We will always act on concerns raised.
