

Impact: How do we know that we are achieving our Curriculum Intent?

QUALITY OF EDUCATION

All children make accelerated progress and achieve better than average

Opportunities are available for all children to grasp concepts at a greater depth

A knowledge rich curriculum will prepare all children with skills for the 21st century

All children are engaged by an irresistible curriculum

BEHAVIOUR AND ATTITUDES

All children will build binding, constructive relationships that enable them to make a positive contribution to the school community

All children will see their learning challenges as opportunities - not obstacles

All children will innovate and be willing to take risks

All children will understand the difference between right and wrong - and why

All children will take personal responsibility for their behaviour and attitude

All children will know that asking for help is a sign of strength - not weakness

PERSONAL DEVELOPMENT

All children are equipped with the knowledge to be able to care for their physical and mental wellbeing

All children are prepared for life in modern Britain

All children will have enterprise skills in preparation for the future

All children are curious, creative and courageous

All children use challenges to thrive and become even better versions of themselves
