

# Intent: What do we want our curriculum to provide for our children?

*We come to school every day to....*

## Develop our sense of self

To be inquisitive and motivated to learn.

To develop confidence in our own skills and understanding.

To be reflective.

## Develop our sense of others

To be accepting and understanding of others differences.

To develop teamwork skills.

To be tolerant of others.

## Develop our sense of the world

To develop an understanding and awareness of our community.

To explore the opportunities available in the wider community.

To respect rules and laws.
