

Computing and E-Safety Curriculum Overview 2023 - 2024

Year group	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
E-safety focus	Managing online information	Online Bullying	Self image and identify Privacy and security	Online relationships	Online Reputation Health, wellbeing and lifestyle	Copyright and ownership
Whole school theme	Computer systems and Networks	Programming A	Creating Media	Programming B	Data and Information	Creating Media
Year 3	Connecting Computer	Sequencing sounds	Desktop Publishing	Events and actions in programs	Branching Databases	Stop-frame animation*
Year 4	The Internet*	Repetition in shapes	Photo editing*	Repetition in games	Data Logging	Audio production*
Year 5	Systems and Searching*	Selection in Physical Computing	Video Production	Selection in quizzes	Flat file databases	Vector Drawing
Year 6	Communication and collaboration*	Variables in games	3D Modelling*	Sensing movement	Introduction to spreadsheets	Web page creation*

* means that there is a direct link in the computing curriculum to the whole school e-safety focus

These units have been sequenced to maximise the links between the whole school e-safety focus and the Computing lessons.

Across the school, each year group will be covering units from the same strand of Computing, this allows for progression to be evident across the year groups and gives a focus for discussing and assessment.

The e-safety focus will be the same for both Skegness Infant Academy and Skegness Junior Academy - this allows for joint working across both sites. The e-safety focus will be the focus for the termly assembly, the Digital Leader program and where relevant, the computing learning.
