

## Year 6 Newsletter Term 6

### This is me!

We are delighted to announce our topic this term is 'This is me'. During their final, exciting term at Skegness Junior Academy, our pupils will prepare themselves for their new adventures in a secondary setting.

#### Reading

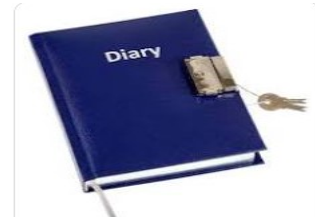

We ask that all children continue reading four times a week at home and that this is recorded on boom reader.

Thank you for your continued support.

- In English we will be producing a spine chilling tale inspired by the short film Alma.
- In Maths we will be revisiting and brushing up on all of our skills ready for secondary school. We will also investigate some 'real world' maths problems.
- In Geography we will be exploring some fieldwork.
- Our history project will be based on our local environment past and present.
- We will be reading and discussing the inspirational coming of age novel Wonder by
  - R J Palacio.
- We will continue our study of Animals including humans in science.
- Outdoor PE will be athletics and indoor PE will be dance.

We will also carry the 'This is me' theme throughout our PSHE, Music and computing lessons.

#### Important dates for your diary .

As we journey through term 6, there will be numerous diary dates to remember. We will send out a letter once all of these dates are confirmed and they will include : graduation/ performance date, trips, school transition days, our farewell festival and sports day dates.

#### Things to remember:

As we will be rehearsing for our graduation performance this term, please ensure that your child comes to school in full school PE kit every day next term. Our school website outlines what this should look like as a reminder. If there are days when children are to wear school uniform, we will send a message via group call.

A water bottle must be brought into school each day as the weather is heating up and we will be partaking in lots of physical activity.

Remember to keep updated with all of the fantastic things your children have been doing by checking the website, following us on Twitter and looking out for correspondence from our admin team.
