

Dear Parents and Carers,

We are excited to introduce you to our Wraparound Care service, launching at Skegness Junior Academy from the start of September 2025.

At JB Sport and Education, we are proud to offer a safe, engaging, and affordable childcare solution that fits around your family's schedule. Our wraparound care is designed to support working parents with flexible booking options, highly qualified staff, and a variety of fun and enriching activities for your children from multi-sports and crafting to science clubs and outdoor adventures.

Care will be available:

- Before school: from 07:45am until the start of the school day
- From the end of the school day until 4:30pm, with extended options until 5:30pm and 6:00pm

Each session includes a structured club activity, and there is always a child-led activity running alongside for children who prefer to engage in free play or more relaxed options. We want every child to feel comfortable and have fun in their own way.

Bookings will be going live on **Monday 14 July** and we will provide parents with:

- A flyer detailing the activities available for each club
- A step-by-step booking guide to help with the registration process using our booking system, located here:

👉 <https://jbsporteducation.ipalbookings.com>

We also accept childcare vouchers, helping to make our service even more accessible and affordable for families.

We look forward to welcoming your child to our wraparound care community!

Warm regards,

The JB Sports and Education Team
